MG Motor India retails 1,508 units of HECTOR in first month

New Delhi, 1 Aug. 2019: MG Motor India today announced its retail sales figure – it sold 1,508 units of the MG HECTOR, the country's first internet car, in July 2019.

Commenting on the sales performance, **Gaurav Gupta, Chief Commercial Officer, MG Motor India**, said, "We thank our customers for the initial response to the HECTOR. We remain strongly focused on providing them with a delightful customer experience by ensuring timely vehicle deliveries and seamless assistance."

MG Motor India has temporarily stopped bookings for the SUV to ensure customer satisfaction. It has received an overwhelming response with 28,000 bookings for the car. The date of re-opening of bookings will be announced soon. The company plans to increase production of the HECTOR to 3,000 units per month by September this year.

About MG Motor India

Founded in the UK in 1924, Morris Garages vehicles were world famous for their sports cars, roadsters, and cabriolet series. MG vehicles were much sought after by many celebrities, including the British Prime Ministers and even the British Royal Family, for their styling, elegance, and spirited performance. The MG Car Club, set up in 1930 at Abingdon in the UK, has more than a million loyal fans, making it by far one of the world's largest clubs for a car brand. MG has evolved into a modern, futuristic and innovative brand over the last 95 years. MG Motor India has commenced its manufacturing operations at its car manufacturing plant at Halol in Gujarat.
